MRS. GARDNER KNOWS VALUE
Of a Medicine That Prevented Necessity For an Operation—Cardui, the Woman's Tonic.

Waco, Tex.—Mrs. M. B. Gardner, of R. F. D. No. 4, Waco, Tex., writes: "I will recommend Cardui to all my friends, for I know its value."

"I suffered with female trouble for twelve years, and five doctors decided that I would have to have an operation, but I took Cardui instead, and I believe that Cardui is the cause of my improvement in health."

Take a tonic when you are tired all the time, when your night's sleep does not rest you; when your head is dull and dizzy and frequently aches; when everything seems to go wrong and your thoughts are blue.

The trouble is that you need a tonic—Cardui, of course, the woman's tonic. The weak, worn-out nerves show the effects of strain, the tired racked body needs help to build up the nerves. Cardui will give it.

Made of purely vegetable, perfectly harmless ingredients, Cardui is no ordinary drug medicine. No physician can prescribe a medicine made from Cardui ingredients, because not in the pharmacopoeia or in any drug store.

The principal herb ingredients are especially imported by us from Europe—collected there especially for us—to make the medicine that for over 30 years has been helping sick women back to health. Try it.

The grand jury was composed of men opposed politically to the incumbent Norfolk county administration.

COURT ADVANCES STATE POLL TAX

Governor Kitchin, of North Carolina, Wins Suit Against Auditor.

ONE PRIMARY FOR RALEIGH

Times-Dispatch Editor Will Deliver Memorial Day Address.

[Special to The Times-Dispatch.] Raleigh, N. C., April 13.—The North Carolina Supreme Court, in a unanimous opinion, reversed the lower court and Supreme Court precedent, established in Russell vs. Ayer, in 1897, and decreed that State Auditor Wood shall advance the State poll tax from \$1.25 to \$1.50, to maintain the three to one parity between property and poll tax, required by the Constitution. Instead of setting aside the tax levies of the 1911 revenue act and levying the old 1909 property and poll tax, thereby cutting the public schools out of some \$150,000 for the next two years. The ruling just made saves to the schools all this amount. The court holds that the Constitution is mandatory and self-executing as to equality of property and poll, leaving nothing to the discretion of a law-making power, and the property tax being standard of taxation.

There is no good reason, the court declares, why the tax officers shall not observe the plain letter of the Constitution and adjust the rate. The court directs the issuance of a peremptory mandamus, as prayed by Governor Kitchin, against the State Auditor.

The Supreme Court delivered opinions in fifteen appeals this afternoon, as follows:

Wilcox vs. Durham and Charlotte Railroad Company, Moore, no error; Sandling vs. Kearney, Franklin, modified, costs divided; Wildes vs. Nelson, Wake, no error; Thompson vs. Jernigan, Harnett, affirmed; Wolf vs. Seaboard Air Line Railway, Anson, no error; Wiggins vs. Seaboard Air Line Railway, Durham, affirmed; Morality vs. Durham Traction Company, Durham, no error; Lane vs. North Carolina Railroad, Davidson, petition to rehear dismissed; Parrish vs. Roper Lumber Company, Pamphlet, affirmed; Linster vs. Crump, Rowan, plaintiff's appeal dismissed under rule 13; Lorene Cotton Seed Mill vs. Southern Railway, Iredell, dismissed for failure to file appeal bond; Bowen vs. Roper Lumber Company, Washington, petition to rehear dismissed; McLendon vs. Hill, Anson, no error.

BABY'S ECZEMA BEGAN IN PIMPLES
When Two Weeks Old. Would Water and Itch. Broken Out Most on Face. Used Box of Cuticura Ointment and Nearly Cake of Cuticura Soap. Was Completely Cured.

"My little girl had eczema on her face which first started to break out on her when she was two weeks old. It began in pimples, and she would water and itch. It was on the back of her neck and the sides of her face, and in between her shoulders. But it was broken out the most on her face. I doctored with two different doctors, and they did not seem to help her. Then a cousin of mine recommended the Cuticura Remedies. She said they cured one of her children, so I tried them, and they gave my child so much relief, that I bought a box of Cuticura Ointment and nearly a cake of Cuticura Soap, and my little girl was completely cured. She is three years old now and has not a sign of eczema. I have been keeping the Cuticura Ointment over since and think the Cuticura Remedies are all right. I tell other people about them and how they cured my little girl." (Signed) Mrs. Minnie Clutter, Deer Lick, Pa., Aug. 29, 1910.
